MIDDLE BRANCH

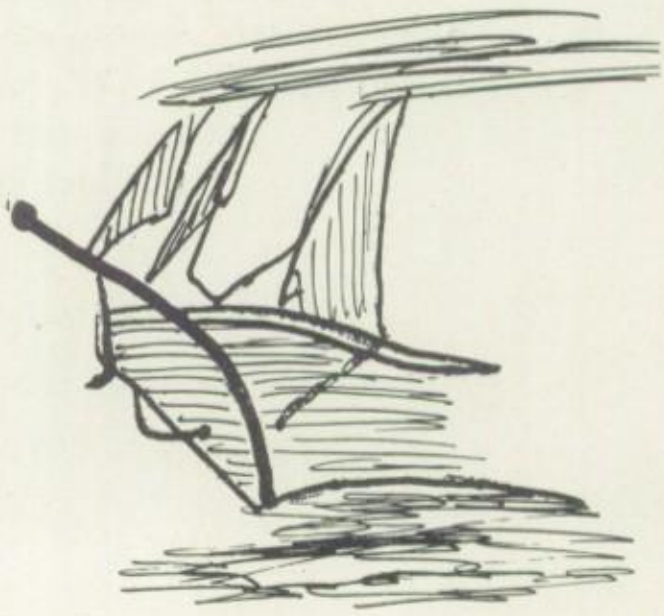
Foreword

The Senior Class of 1949 wishes to present this thirteenth edition of the Memoir to our parents, teachers, and friends, who have helped us through our school years. Behind these doors are all the life and activities we have loved, enjoyed and shared. Now allow us to unfold and share with you a few of these—our activities—as the SHIP'S WAY IS BUILT.



Dedication

With sincerest appreciation, we, the graduating class of 1949, wish to dedicate this volume of the traditional Memoir to our class sponsor and friend Mr. Calvin W. Heintz—in order to express our gratitude for the patience and cooperation he has shown us—this—
our last year at Middlebranch High School

These are the men behind the scenes that none of us see too much of. They are the men who do the purchasing of anything new for our school—They hire our teachers and discuss the problems. Theirs is a very important job and a very important part of our school.

Administration

To Mr. Kohr, our Superintendent and friend, we wish to convey our thanks for all the consideration and kindness he has shown us through our school years, which have all been under his supervision. Our only wish now as we leave here, is that we will become the men and women that he has endeavored to train us to be, that we will carry on to others and to life the traits and abilities his kind guidance has instilled in us.

Basketball Team

The varsity basketball team had a very successful season in 1948-49. They won the title of "Class B League Champs" for winning all of their league games.

The outstanding ball handler of the league games was Jerry Petro topping the record of all-county team of 1947-48 with 200 points even.

We congratulate the senior boys that played on the varsity for making possible a successful season including the tournament honors. In leaving the scholastic game to the under-classmen, we do hope you'll keep the banners waving high for good old Middlebranch under the direction of Coach Albrecht.

We wish to extend our thanks and appreciation to Coach John Albrecht for keeping our Senior boys in condition for this successful season. He has done well in promoting a well balanced team throughout the year.

Sophomore Class

The Sophomore class held their annual initiation for the Freshmen in October.

The Sophomores also supplied the Facet with news articles for one edition.

Though the Sophomores weren't too active in doing things, they took their positions as Silly Sophomores and hailed the Seniors in a dignified manner.

The Sophomores shall always be a cheerful and tender memory to the Seniors. One thing outstanding about the Sophomore class is that they are very co-operative in the school activities.

We wish them luck when they move to the Senior home room and take our seats. May they have the joyful moments that we had.

It is sad for the Seniors to leave the Sophomores as they were always ready to assist us in anything that had to be done.

The Sophomore boys are highly active in basketball. Joe Nahay, Bobby Gallucci, Dale Humbert, Wayne Erb, Delmar Delashmutt, Red Moore, made the reserve team. These boys also went to the tournament as the second team. May these boys be as successful as the Senior boys were.

We want them to hold up the gallant title of our basketball team and may the grand old colors of red and black always be waving high for Middlebranch High School.

CLASS HISTORY

In September, 1945, our freshmen class started out with 65 members and were under the supervision of Miss Hawes. The officers of our class were Mary Gardner, president; Walter Morrell, treasurer; Lynn Garrott, secretary. We were initiated along the usual custom, September 28. Our queen attendant was Mary Gardner.

Then we were sophomores. Jerry Petro, John Guarnerie and James Bennett won honors for their brilliant performances on the football team and were awarded letters. Other honorable mention were Lynn Garrott and John "Duck" Ohman. Basketball brought us James Bennett and Jerry Petro who were awarded letters. Our football queen attendant was Jean Kyser. Our class officers were Bob Slawson, president; Jean Kyser, secretary; Jerry Petro, treasurer; and Joan Feller, chapel representative. Two parties were held, one for us to even with the freshmen and another strictly for sophomores. Our advisers were Miss Green and Mr. Klay.

Our junior year was a very successful one. The class sold ice cream, hot dogs, pencils, pennants, decals and candy in order to prepare for the Junior-Senior prom, which was held May 15. Miss Cordray and Miss Weisel were the class advisors. The officers were John Ohman, president; Bob Slawson, vice president; Ralph Downey, treasurer, and Harriett Landis, secretary. James Bennett was chosen to go to Boys State. Jerry Petro was selected Star forward for the all-county basketball squad. Marilyn Henkel was the queen's attendant.

Now that we are 49'ers with Mr. Heintz as our class advisor, our football squad is large. In football we have John Ohman, John Guarnerie, John Lutman, Jerry Petro, Don Rice, Clyde Riffle, Lynn Garrott, Bob Slawson, James Bennett, Ralph Downey, and Ronnie Humbert. Basketball brought us a perfect season, 12 wins and no losses. The squad consisting of Ralph Downey, Jerry Petro, John Ohman, James Bennett . . . Clara Angione served as president; Marilyn Beggs, treasurer, and Harriett Landis, secretary. Graduation day at last with 44 receiving diplomas.
